Dear Sir:

Would you be kind enough to inform me how many dollars were coined in '1804' also about how much you think a dollar of that year would bring, providing it is a genuine '1804' dollar &c.

This dollar is in remarkably good state of preservation only has a few slight marks on the reverse & I am anxious to know the actual value of such a dollar

Yours very obt Servt

About an 1804
Dollar.

RECEIVED
JUL 24 1886
U.S. MINT, PHILA.

We have no record of the number of 1804 dollars Coined.

Specimen

There are only 7 or 8 known at the present time.

~~The last~~ One sold at public sale, about a year ago, for $1,000

There are many, which are altered from the dollar of 1800. by removing the last figure and inserting a 4 in its place. Such pieces are only worth their face.
